Offshore banking website, OffshoreLegal.org offers expedited bank account setups in Panama.

OffshoreLegal.org is an offshore banking website that has geared up to offer offshore bank accounts, offshore corporations and offshore foundations in Panama and beyond.

Panama City, Panama: December 03, 2007 – Offshore Legal Services is an offshore banking company located in Panama City, Panama. The company is a licensed law firm within the republic of Panama and only hires completely licensed lawyers. OffshoreLegal.org is allowing the company to set up offshore banking accounts in as little as 3 to 5 business days through expedited bank account setup. This is an improved time frame compared to how long it normally takes to set up a bank account in Panama.

Offshore Legal Services specializes in offshore asset protection, offshore corporations, offshore foundations and offshore banking. The company focuses on these four facets of secure asset protection as a way to deliver the complete solution to their clients. The company recognizes that offshore banking is a key component in any structure for asset protection, which is why they are so diligent when it comes to ensuring that the assets of their clients are secured in stable jurisdictions.

There are a large number of different advantages to banking using an offshore account. Offshore Legal Services establishes strong relationships with large and trusted banks in Panama in order to allow clients to create Panama offshore bank accounts in as little as three to five days. There a couple of different ways through which someone can open an offshore bank account.

What most people do not realize is that banking institutions in Panama will not open offshore bank accounts unless the client has been introduced through a reliable source. Offshore Legal Services is an experienced law firm that delivers the right services to make opening an offshore bank account an easy task without charging an arm and a leg in the process.

Offshore Legal Services is a licensed law firm in Panama City, Panama that specializes in corporation, foundation and offshore banking. The company is revolutionizing the process of setting up offshore bank accounts by drastically decreasing the time that they take to set up. Offshore Legal Services is not a banking institution, but works as a mediating party between clients and banking industries. For more information about Offshore Legal Services and their expedited offshore bank account setup, visit <http://www.offshorelegal.org> or contact orders@offshorelegal.org.
